 See Continuation Sheet

Part III.

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

 (Examiner/SPE Signature)

 (Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner called Mr Boyd to indicate that the application was almost in condition for allowance except that the first 5 lines of claim 1 were not completely legible and there did not appear to be support for the limitation "azeotrope like" that appeared in claims 1 and 4 and that this therefore constituted new matter. In addition there did not appear to be a section titled "Brief Description of the Drawing" as required. "Mr. Boyd agreed to authorize an Examiner's Amendment of the following form to put the application in condition for allowance:

The claims have been amended as set forth in the Detailed Action.

The specification has been amended as follows:

Page 4, line 12: Please insert the following into the specification at page 4, before the Detailed Description of the Invention:

Brief Description of the Drawing
